Benefits

Main reasons to move to a library service platform

| Enhanced and Unprecedented Discovery | Integrated Workflow | Improved Maintenance |
| Unlimited Connectivity | Robust Analytics | State of the Art Architecture and Design |

Possible Timeline?

Literature surveys indicate:

Multi-Year Phased Implementation

Develop the RFP

12 months

Migration Phase

12 - 16 months

Testing Phase

6 months

Cutover and Go-Live

1 month

Changes

What will the new system bring?

Changing user expectations	Changing practices and staff use	Easier and more productive staff use	Responsive systems able to meet unknown demands
Broader, deeper reports and user analysis	Interactive connectivity to more functionality	Integrate library into other learning environments	Intuitive and social
