

## CCL-EAR COMMITTEE PREVIEW

### Duolingo: Schools, Mango Language: Higher Education, Memrise, Rosetta Stone Library Solution Fall 2015

In Fall 2015 members of the CCL-EAR Committee were asked to write a preview of Mango Languages: Higher Education and Rosetta Stone Library Solution (Ebsco). The team did a preview comparison of these language programs and the two free language programs Duolingo: Schools and Memrise. Below is the comparison preview.

**OVERALL ASSESSMENT:**

The preview team does not see the need for a full review of these items. They were impressed with the free products and encourage interested colleges to work with the language department to see which languages are being offered and which product could best support those languages.
